791

I beg to State that I Submitted 3 applications to the office of the Private Secretary on 20-10-1902, 20-11-1902 - 18-2-1903 respectively to the effect of putting a stop burying and burning dead bodies in the adjoining site and within the limits of the Gutchi mutt which belongs to me and I am sorry, however that I received no endorsement to any applications.

This matter was delayed till now owing to the 2nd Councillor having considered a local inspection necessary to record his opinion. We inspected the locality last month in company with Mr.Kantaraj Urs and the ~~Councillor~~ Vice President. Both Mr.Kantaraj Urs and the Councillor are agreed that the petitioner has a valid grievance, the burials and cremation being now allowed in the immediate proximity to the Hatt for want of space elsewhere. It is therefore proposed to acquire the Hatt and its grounds as quickly as possible and add them on to the grave yard which is stated to be very small for present requirements. The President has therefore been requested this day to place the matter [illegible] at once before the Board and submit proposals with the Board's resolution.
